April 18, 2022

Dear East Hartford Public Schools Community,
This communication serves to notify you of positive COVID-19 cases within our school communities. This letter will be posted to the East Hartford Public Schools' website on a daily basis reflecting all positive cases reported prior to 3:30 p.m. that day.

To protect the privacy of the individuals involved, this letter will only identify the school and the number of cases occurring on a daily basis. If additional questions emerge, please contact your school principal/nurse. Please note that personal identifying information cannot/will not be released.

School	**Number of Cases**

Superintendent of Schools

1110 Main Street, East Hartford, CT 06108 Tel: (860) 622-5107 Fax: (860) 622-5119 www.easthartford.org

Per guidance issued by the Connecticut State Department of Public Health (DPH), routine contact tracing of individual exposures that occur inside schools or during school-organized and supervised activities has been discontinued.

Please note the following details:

- Students/staff who test positive for COVID-19 or demonstrate any COVID-19 symptoms should contact their school nurse and remain at home.
- Fully vaccinated students/staff who are in close contact with a COVID-19 case *outside* of the school day should continue to attend school if they are not experiencing any symptoms.
- Unvaccinated/partially vaccinated students/staff who are in close contact with a COVID-19 case *outside* of school should quarantine at home for 5 days from the last exposure.

As we continue to work hard to keep our community healthy, we encourage you to consult with your family's trusted medical advisor regarding vaccination decisions. Vaccination remains the most effective tool to stop the virus.

Querida Comunidad de las Escuelas Públicas de East Hartford,

Esta comunicación sirve para notificarle de casos positivos de COVID-19 dentro de nuestras comunidades escolares. Esta carta se publicará diariamente en la página web de las Escuelas Públicas de East Hartford reflejando todos los casos positivos que fueron comunicados antes de las 3:30 de la tarde ese día.

Para proteger la privacidad de las personas incluidas, esta carta solo identificará la escuela y el número de casos que ocurren diariamente. Si tiene alguna pregunta adicional, por favor póngase en contacto con el director o la enfermera de su escuela. Por favor tenga en cuenta que información de identificación personal no se divulgará.

Oficina Central	

De acuerdo con las pautas emitidas por el Departamento de Salud Pública del Estado de Connecticut (DPH), se ha descontinuado el rastreo de contactos rutinario de exposiciones individuales que ocurren dentro de las escuelas o durante actividades organizadas o supervisadas por la escuela.

Tenga en cuenta los siguientes detalles:

- Estudiantes/personal que den positivo para COVID-19 o muestran cualquier síntoma de COVID-19 deben ponerse en contacto con la enfermera de su escuela y permanecer en casa.
- Estudiantes/personal completamente vacunados que estén en contacto cercano con un caso de COVID-19 *fuera del día escolar* deben continuar asistiendo a la escuela si no están experimentando ningún síntoma.
- Estudiantes/personal no vacunados/parcialmente vacunados que estén en contacto cercano con un caso de COVID-19 *fuera de la escuela* deben ponerse en cuarentena en casa durante 5 días después de la última exposición.

Mientras continuamos trabajando arduamente para mantener a nuestra comunidad segura, le animamos a consultar con su asesor médico de confianza sobre decisiones relacionadas con la vacuna. La vacunación sigue siendo la herramienta más efectiva para detener al virus.

Nathan Quesnel
Superintendente
Escuelas Públicas de East Hartford
